65 ft.

4.15 PM

(FOR ADDRESS ONLY.)

SEP 27 1898

Thought you might
like to have a picture
of our "liner". She has
treated us so well
that you can recom-
mend her & show her
picture to our friends.
We are passing through
a squall, but we do not
mind that a bit. She
kicks steadily on her way.

Mrs. P. M. Watrous,
Chilton,
Conn.
